

Central Valley School District Superintendent Search

The Central Valley School District Board of Directors is seeking a dynamic and visionary leader with integrity and outstanding administrative abilities to serve as its next Superintendent of Schools. This high-achieving district, serving approximately 2,200 students, requires a candidate who excels in maintaining high academic performance, possesses strong financial acumen, and has experience in curriculum development and implementation. The ideal candidate will be a proactive, strategic thinker and problem-solver, committed to student achievement, school safety, and community engagement.

Qualifications:

- Central office or building administration experience required
- Doctorate in education preferred

For more information on the district, [click here for the district brochure](#) or visit the district webpage at www.centralvalleysd.org.

The search process is being coordinated by the Beaver Valley Intermediate Unit. Request an application packet from Dr. Eric G. Rosendale, Executive Director, Beaver Valley Intermediate Unit, at eric.rosendale@bviu.org. Applications will be received until January 3, 2025. EOE.
